A Poem by Les Morgan

Have you noticed all the extra people? We are averaging over 40 people more a Sunday this year than we did the previous year. Have you noticed all the children? They seem to be springing up all over. Little ones ... and littler ones. Isn't it wonderful! But ... growing families force questions. Where do we put them all? The 'toddler's' nursery has gotten filled to the brim. The tables on the Wednesday night children's dinners are squashing full.

Quite frankly, we don't know where we are going to put them all. We have been squeezing them in ... but the seams are about to pop! So we need your prayers and we need your imagination. We are exploring how to expand one of the small rooms. We are asking if it is time to separate the preschoolers, toddlers, and early elementary children into groups during the 11 am worship. Do we update the baby nursery into a toddler nursery? Do we start a children's church? Do we have enough volunteers? We don't know. So we are starting to ask questions and play with space and options.

We are also starting to ask questions about our Wednesday night programs. We want to start planning now so that we are prepared. The UMW has faithfully and lovingly been feeding the children this year. By my how the numbers have grown! And it seems that the space has shrunk. With such a growing family we are again asking: how do we fit them all in? How do we feed them all? How do we get more help?

We are asking ourselves these questions. We are trying to plan for the future. We thank God for every little one that has been put into our care. If you have any suggestions, please talk to Diane, Angie, or Teresa.

## ADMINISTRATIVE COUNCIL MEETING

The Pastor will be out of town on May 15<sup>th</sup>.

She would like to move the council meeting to the next Tuesday, May 22<sup>nd</sup>.

Will council members please let the office know if this change will work or not?

Thanks!

## JUNE NEWSLETTER DEADLINE

Please have all news, pictures and articles to the office no later than Thursday, May 24<sup>th</sup> for inclusion in the June Newsletter.

You can send items by email to [trinity@trinity-umc.com](mailto:trinity@trinity-umc.com) or drop off at the office.

## SPECIAL WORSHIP SERVICES

It's this time of year again. Youth Sunday is May 20<sup>th</sup> and Children's Sunday is June 6<sup>th</sup>.

With Teresa being out of town on the 20<sup>th</sup> and with so many of the 8:30 service participating in the Youth Service, the Worship Leaders have decided to hold a joint worship service. Because it is a joint service, the time will be set for 10 am.

On June 6<sup>th</sup>, we will hold two worship services. The 8:30 will include Communion and a Sermon. The 11 am service will be the Children's Program and will be followed by the picnic.

We are so blessed to have so many young people and look forward to their leadership in worship.

## PENTECOST

It's Coming.....The Holy Spirit.....she is coming. She is coming to fill us with life! She is coming to lift us up and give us breath.

Pentecost is the Jewish festival of the spring harvest. But for Christians, it is our birthday - the birthday of the church.

Acts 2 tell us that people had gathered into Jerusalem to celebrate the Festival. And while some of the faithful were gathered in one room, the rush of a mighty wind swept across the room. With an explosion of sound, people started speaking in foreign languages. They started to be able to talk in the languages of people from many places.

This remains one of the great hopes and anticipations of the church today. We are a people from many walks of life. Our livelihoods have languages. Our hobbies have languages. Even our denominations have languages. Can we talk to all the people from the different walks of life? Can we speak to them with words and in ways that they can understand?

When I was a girl I read a book about a woman who learned sign language. With it, she was able to talk to the deaf girl for which she was responsible. As they "talked" in this new language, they realized that they both had experienced the Eternal One. In this new language, they could talk and the deaf girl's faith was given help in growing in God.

What are the languages that God has given us to share the good news of Jesus Christ? What languages has God given you? Pentecost celebrates the explosion of the Spirit among and within us.

In my time here, I have witnessed the explosion of the Spirit. Haven't you? Let's continue to witness to what we are seeing God do among us. Let's continue to let the Spirit fill us and enable us to share. With all that God has done in the past 10 months, just imagine what excitement awaits us.

# “METAMORPHOSIS #2”

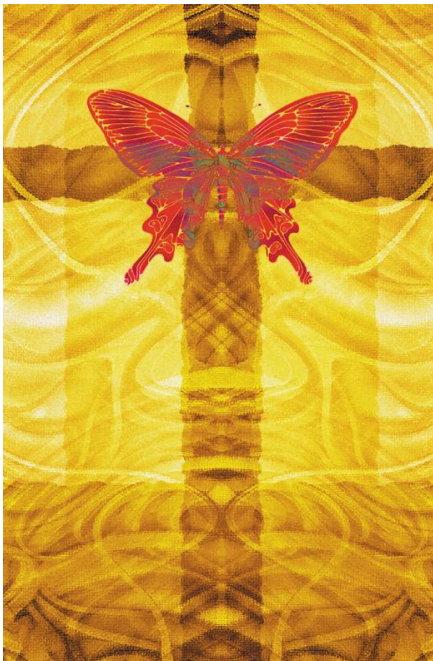

LES MORGAN

Where do the souls  
of butterflies go?

Do they  
add the glory  
of their spirits  
to the sound of grass  
growing,

or to the song  
thistledown sings  
as it rides the wind?

Perhaps  
they enter the minds  
of poets,  
or the hearts  
of lovers,  
and wait there  
for the perfect moment  
of revelation:  
or do they simply  
render sacred  
the miraculous smile of a  
child.

# NOTES FROM THE LAY LISTENER

DAVID BAILEY, LAY LISTENER

The General Council of The United Methodist Church is going on April 24 – May 4 in Tampa Florida. A number of issues will be coming before the Delegates. I have often thought news from the General Conference is sometimes far away from our minds in Chesterfield, but a few have asked me what is going on. Here are five proposals that have been endorsed by the Council of Bishops to [restructure general agencies](#), to [fold the denomination's ecumenical agency into the Council of Bishops](#), and to [establish a full-time council president without the usual responsibilities of overseeing a geographic area](#). General Conference also will take up a proposal to [eliminate job guarantees for ordained elders](#) and once again [debate the denomination's position on homosexuality](#).

The most important item to me is that the United Methodist bishops voted overwhelmingly Nov. 1 to endorse a letter, titled "[For the Sake of a New World, We See a New Church: A Call to Action](#)," detailing changes – some requiring action by General Conference, some not.

"We see a new church," the bishops' letter says. "It is a church that is clear about its mission and confident about its future, a church that is always reaching out, inviting, alive, agile and resilient." It asks all United Methodists to "work to do the 'new thing' God intends for our church and discover the path God is making for our future." Even at the world level the Church is seeing the need to tweak its operations. The Council of Bishops' vote came as part of the multiyear [Call to Action process](#), which aims to reverse decades of declining membership and financial giving in the United States and to increase congregational vitality. Part of the "Call to Action" was a study of the practices of effective high vitality churches. The study was done by Towers and Watson starting in 2009. Their findings are included in the Steering Team Report. The full report can be seen at: [http://www.umc.org/atf/cf/%7Bdb6a45e4-c446-4248-82c8-e131b6424741%7D/CTA\\_STEERING%20TEAM\\_%20RPT\\_1-44.PDF](http://www.umc.org/atf/cf/%7Bdb6a45e4-c446-4248-82c8-e131b6424741%7D/CTA_STEERING%20TEAM_%20RPT_1-44.PDF)

The findings and recommendations are based on reliable statistical findings based on massive amounts of data from over 32,000 congregations show that high-vitality churches consistently share common factors *that work together* to influence congregational vitality and are characterized by the prevalence of:

Each of these factors needs to be looked out by the various groups and committees at Trinity. High vitality sounds like a good goal. I hope it is one that we strive for in the coming years.

1. **Effective pastoral leadership including inspirational preaching, mentoring laity, and effective management**
2. **Multiple small groups and programs for children and youth**
3. **A mix of traditional and contemporary worship services**
4. **A high percentage of spiritually engaged laity who assume leadership roles**

This one hits home to me. As the Co-Chair of the Lay Leadership Committee it is incumbent on me to pay attention to this endeavor. This is going to be a big change for the Committee. In the past we have met a couple of months before the Charge Conference and selected leaders and committee members. I have talked to the committee members and hope to have some concrete ideas before them soon. With the Pastor being the Co-Chair, I expect this will move soon. Let me know if you have ideas or questions about the Call to Action. I remain in the listening mode.

## MISSION OPPORTUNITIES FOR YOU

BETH WILKES, MISSIONS CHAIRPERSON

Like usual, we have been busy in Missions at Trinity United Methodist Church, and we have added some new things that you can get involved in!

We continue to do Sherbourne Food Bags once a month (that's the food that we collect in the Narthex each month) so we are always looking for donations of non-perishable foods such as canned tuna, chicken, cereal, peanut butter, etc. Please do not donate anything in glass jars because they can break!

Our men still continue to build ramps for Project: Homes every other week. If you are interested in this project, contact Harold Saunders.

The women will go to the girls' cottages at United Methodist Family Services on April 20.

Our church has decided to do the feeding at Daily Planet, or Safe Haven, on a regular basis. Rev. Keezle has signed us up for 3 dates coming up.

They are Sunday, May 6; Monday, June 11; and Sunday, July 15. We prepare a meal and take it to their facilities at the corner of Hull Street and 29 Street. Let me (Beth Wilkes, 796-6441) or Rev. Keezle know if you want to participate! This is a place where you can safely take your children to help and learn all about helping others!

On April 28, our church will be participating in Rebuild Richmond. Harold Saunders and Al Tougas are in charge of this and will have all the supplies we need to work at a home that needs repairs. So far we have 25 adults and the Youth Group signed up. We will be making repairs on a home in need of a lot of work and you can come and work all day or just half a day!

The Fellowship Class is having their yard sale on May 5 with the money going to the Adult Mission Trip for supplies. It will start at 8:00a.m. and church members can bring their donations by the week before. Set up starts at 6:30 a.m. and the Youth will be doing concessions for breakfast and lunch. Come out and donate, buy or eat . . . it will be a fun day!!

Our Adult Mission Trip is August 19-24 at Franklin, WV. We have 17 adults signed up for sure so see Karen Poole ASAP if you are interested!

Trinity will be donating and erecting a swing set for a family that has 2 children with medical problems. Bill Poole will have info soon on this project.

Members will be asked in May to donate gently used shoes or new shoes to Soles 4 Souls. Karen and Bill's car club is doing this and you can donate shoes for all ages, seasons, or sexes. We will start collecting on May 20.

We are losing some of our Missions Committee members because they are moving or going off the committee. If you are interested in joining this committee, please let Beth know. We only meet about every 3 months or as needed and would love to have some fresh new ideas and new faces!

Let us all go out and serve the Lord by serving others!

Trinity will once again support "Soles 4 Souls" in the next few weeks. That means we will be collecting any gently used (or new) shoes that will be given to an organization that distributes them to disaster area victims. Right now they are very busy in the Midwest assisting the tornado victims.

The shoes or boots can be any style, any season - -men, women, or children.

Please tie the shoes together or put a rubber band around them and deposit them in the collection bin that will be in the narthex on 3 Sundays -

**May 20, May 27, and June 3**

Okay, ladies, this is a perfect time to clean out our shoes closets to make room for the new spring styles!

## UMW MAY MEETING

Join us Thursday, May 10 at 7:30 for our next meeting. Jolinda Underwood from the Home Again Shelter in Richmond will be speaking to us about the possibility of painting and updating a room at the shelter. We hope to see you there!

## CHANGING FACES IN THE OFFICE

Please join the Staff Parish Committee in thanking Carole Kelly for her 8 years of service to Trinity and wish her well as she leaves us to pursue other opportunities. Her wonderful smile and cheerful voice as well as her willingness to help will be missed.

Join us as well in welcoming Katherine Dohl as our new secretary. Katherine is a Journalism / Mass Communication graduate of UNC with extensive experience in computer graphics and graphic design. Katherine is married and has two children. Introduce yourself to Katherine – remember she has a lot of new faces and voices to learn!

## THANK YOU

Dear Trinity family,

I want to sincerely thank you for the WaWa gift card. This \$50 will surely go a long way toward a tank of gas with the current crazy gas prices! I want to let all of you know that I have loved every minute of the seven-plus years that have I worked for and with you. My family and I knew we were part of something very special. I will miss seeing and talking with you and wish all of you the best. I sincerely appreciate everything you have done for me and for my family.

Blessings,

Carole Kelley
