PASTOR'S CORNER

REV. TERESA KEEZEL

THE NEXT STEP

One of the standard questions that free will Christians ask is 'What is the next step?'

If we are going 'on to perfection in love', how do we "mature to the measure of the stature of the fullness of Christ"? (Ephesians 4)

We take the next step.... Each of us is on a journey to grow in the love of God and the love of neighbor. This summer my sermons are going to be exploring spiritual growth. Paul describes the growth process as running a race. To be able to run the race to completion, we need to develop our muscles.

This summer we will explore how to develop different muscles needed to keep running the race. Some of the disciplines we will be exploring are the discipline of empowerment/encouragement, intercessory prayer, breath prayers, how to pray without ceasing, the Lord's Prayer as a teaching prayer, speaking the truth in love, tithing, and fasting. As well, every other Wednesday those who want to work on more specific "how-to"s of these disciplines will gather to 'work out our salvation' (John Wesley would say it this way!) We will gather to try our hand at some of the disciplines. One week we will work on sending cards as intercessory prayer; we will play with how to sing our way into spiritual maturity; various types of journaling will also be explored.

What is the next step? We all want to grow in the love of God. This summer I hope to give us some hands on exploration.

NEWSLETTER DEADLINE

Please have all news, pictures and articles to the office no later than Sunday, June 22nd for inclusion in the July Newsletter. You can send items by email to trinity@trinity-umc.com or drop off in the "Church Secretary" hallway mailbox.

SUMMER

REV TERESA KEEZEL

Most people think that summer is a down time in the church. You know, people are on vacation. Many of the normal activities are ended.

But actually, the summer is a very busy time in the life of the church. The summer is a time of transformation. We take the summer and begin dreaming about where we feel led to go next.

Already, people are coming up to me and asking, 'what do you think about trying this?' Hummm....I say. What do you think? What are you thinking? What would that look like? Who would this include?

I am constantly amazed that we no sooner take one step and God is pushing someone to take the next one. So let's start planning and proposing.

Clearly, God has already been doing some dreaming. Let's take God's dream and talk about it, play with it, and explore. I know of several dreams that are already in the works.

What dream is God giving you?

PASTOR VACATION

Rev. Keezel will be out of the office beginning June 12 for vacation leading up to Annual Conference. She will be back in the office after Annual Conference (June 23). Please contact Paul Brown if you require assistance during this time.

GARDEN TO FOOD BANK

HUNGER SOLUTION GROWING IN OUR OWN BACKYARD

"Every summer and fall, we see the faces of so many caring people bringing fresh vegetables to share. Last year, we received over 85,000lbs from community and school gardens, small farms, and even businesses that planted a row,"

said Annie Andrews, Feedmore food sourcing manger.

"Every little bit helps, and the pounds really add up, reminds Annie Andrews. "Whether it's a bag of tomatoes from a backyard garden to bushels of corn donated from a local farm, fresh local produce is a real treat for families who have so little."

If you have extra produce you would like to donate to Feedmore (Foodbank) contact Ann Wright-794-0403 or Mary Potter-748-3904. We make a trip to the community kitchen at Feedmore every Tuesday and would be happy to deliver any fresh vegetables.

WORSHIP COMMITTEE

The Worship Committee will meet on Tuesday, June 3.

MAGIC CARPET RIDE: IT'S BEEN A JOURNEY

It's been a journey, this carpet. It started last fall when Bill Foster submitted a request to replace the carpet as part of the Building and Grounds Committee.

At the October 17th, 2013 Council Meeting Bill brought the issue up again. "Bill Foster said that the carpeting in the Sanctuary needs to be replaced. He received bids and the best option is a high traffic carpet that is easy to clean, very durable, and high quality. Estimated cost \$28,000. Much discussion ensued. John Morris said this would be a special project separate from any budgeted item, and will have to have fund raising and church-wide involvement. The Finance Committee will make suggestions regarding the funding. Tom Kennedy moved to make the re-carpet project a non-funded goal for 2014. The motion was seconded and passed. The Worship Committee will select the color."

And so it began. Then Bill and Joan needed to go to California for family support. In the meantime the new chair of Stewardship picked up the call.

At the Council meeting on February 4th, we receive a new update. "Carpeting Project: Ed Barnes reported the cost for replacing the Sanctuary carpet is \$28,000. No date is set. John Morris stated the Finance Committee would like to see about 50% raised before plans set. Ed will obtain copies of estimates. There was much discussion regarding finances and fund raising. David Bailey moved to have the Finance and Stewardship meet to discuss funding ideas and report back to next council meeting. The motion seconded and passed.

In the meantime, Stewardship started to raise money toward the carpet. With a window half of the \$28,000 needed, a newsletter article was submitted and money started coming in.

March 18th, 2014: "Carpet Replacement: Stewardship Chair Ed Barnes reported he and Rev. Keezel met with three additional contractors to see if we could get more competitive bids for the same quality and durability of carpet as was included in the original bid \$28,000. The color has been selected by the Worship Committee. The carpet is 30 ounce which will last many years and will have a very durable backing(current sanctuary carpet is fraying and rippling due to disintegrating backing). Bids are pending. Ed expects a lot lower overall price once the bids are received. Much discussion ensued. If you have questions, write them down and direct them to Ed Barnes. "

At the April Methodist Men's meeting, the question was raised of why not replace all the spaces in the Sanctuary (the section in front of Pat's office, the 'old' office where the copier is, Pat's office) and the back hall.....Bill Foster had requested at the October 17th meeting for permission and funding to replace the hall and the 'old' office with tile. At that time he was granted permission and allocated up to \$1,000 to tile that area. But with Bill out of town, the work got put on hold. Some cabinets have been moved but the other has been waiting until.... The UMM meeting.

So with that back on the question, Ed Barnes went out again and got a bid for the cost of replacing the back hall, and all the spaces on the right and left side of the platform with tile.

When Trustees met in May, they decided to support the request the re-carpet the Sanctuary, to re-carpet Pat's office and to tile the areas in front of the backdoors...but not to retile the back hall.

With Trustees support and with Finance's suggestions of where to take the 50% matching funds from, the request came to Council in May to complete the work. Council voted to support the Finance Committee's plan. The final bids came to be \$23,683 to re-carpet the Sanctuary and \$2,614 to complete the other sections. The total work will cost \$26,297. For the project to be completed, the Congregation needs to donate \$13,148.50

With what the UMM had pledged, we had raised nearly \$9,000 with \$4,200 to put us over the top. After last Sunday, the remaining \$4,200 has been either received or pledged. We are now ready to forward the contract to the Trustees and have it signed. The work can then begin.

We would like to thank you for your commitment to maintaining God's house. We will let you know when the work is scheduled to begin.

To God be the Glory.

Let me know if you are interested in going – 677-6430 or billandkaren@mindspring.com

SAFE HAVENS

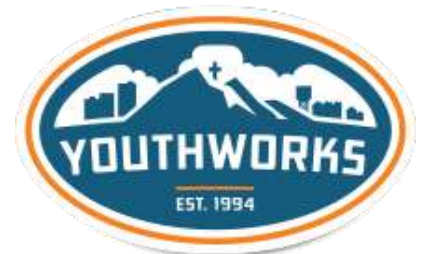

Bertelle is seeking a partner for our mission at Safe Haven. This partner would plan and take the lead on alternating months, coordinating meals and volunteers. If you'd like to become more active with this mission please contact Bertelle Bunyard at bertctrs@yahoo.com.

What is Safe Havens? Safe Haven is a 21-bed, free-standing facility that offers transitional housing with comprehensive and integrated health and support services for individuals suffering from severe mental illness coupled with chronic homelessness. It provides 24-hour staff supervision and guidance with the ultimate goal of transitioning clients into permanent housing and independent living. We bring a prepared meal and serve it to the residents once a month. We have volunteers to purchase, prepare and serve food – and can use help with any or all three of these volunteer opportunities, as well!

OH Box Program at TUMC

WHAT IS THE PURPOSE?

The purpose of the OneHarvest (OH) food box is to stretch the food dollars of individuals and families across the nation while giving local churches and non-profits the opportunity to love and serve their community.

WHO QUALIFIES?

If you eat, you qualify. There are no applications or qualifications to order OneHarvest food boxes. OneHarvest is open to anyone who wants to order regardless of income level. It also provides an opportunity to those who want to be generous and multiply their giving by passing one on as a blessing.

HOW DOES IT WORK?

OneHarvest boxes are ordered through local churches and non-profits with a monthly deadline and a single delivery date each month. Local OH Partners collect orders and submit them prior to each month's deadline, with orders arriving about 1 week later. Order as many boxes as you like!

WHAT IS IN THE BOX?

There are several boxes to choose from, each being pre-packed and frozen. The current cost per box ranges from \$20 to \$46. Check the webpage for this month's selections.

WHERE DO I PAY FOR AND PICK UP MY FOOD?

OH Boxes can only be ordered with money orders or exact cash here at the church or online at www.oneharvest.com. A receipt will be provided to you and should be presented at pick up.

HOW CAN I HELP?

Look for opportunities to help pick up and pass out food on Distribution Day. ~8 people per month will be needed to make this ministry a success. There is something to do for everyone. Please be on the lookout for important dates, times and deadlines. If you would like a menu emailed to you or if you would like more information about participating please contact Deborah Napolitano at seven_naps@verizon.net.

Are you looking to stretch your hard earned dollars in today's economy?

Are you a single parent who worries what your children are eating?

Are you a Senior on a fixed or limited income?

Do you enjoy cooking out on the grill or entertaining during the holidays?

Do you know a person or family who is in

Do YOU shop for GREAT bargains on QUALITY foods?

If you answered "Yes!" to just ONE of these questions then you will find a blessing in every box!

Trinity United Methodist Church
Administrative Council Meeting
May 13, 2014

Members Present: Lee Kump, Reverend Teresa Keezel, Flo Gray, Cindy Shelton, Krystal Cofer, John Morris, Mary Palmer, Pat Madison, Megan Madison, Todd Miller, Lana Lefferts, Deborah Napolitano, Gary Potter, Paul Brown, Ed Barnes, Stephanye Fuina, Ann Wright, Carol Sanders, Maurice Linkous, Tom Kennedy, Turner Wilkes, Tim Ruxton, Bill Faris, David Bailey, Ruth Allyn

Invocation: The invocation was provided by Reverend Keezel.

Minutes: The minutes from the 3/18/14 Council meeting were approved as submitted.

Old Business:

A. Sanctuary Carpet and Tiling Project: Ed Barnes as Stewardship Chair, presented the history and overview of the re-carpeting project. Joining his presentation were Carroll Roach and Kent Hope of Sterling Unlimited. The original bid was revised to include extending the project to the back hall thresholds on either side of the choir loft area and is currently at \$23,683. Quality, durability, installation, warranty, etc., were discussed at length with member opinions voiced both for and against. Copies of the revised proposal along with the contractor license and contract are attached.

John Morris, Chair of Finance, said the committee met for the purpose of making recommendations regarding funding the re-carpet project. As of 5/13/14, there is \$6,945 in pledges, with \$2000 pledged from the UMM. The Finance Committee looked at paying the balance with current cash on hand; pulling funds from the stock account; or not replacing the carpet at this time. The Finance Committee recommends raising \$4205 from the Congregation, with \$13,150 coming from a mix of the Capital Reserve, Capital Improvement, and stocks.

David Bailey moved to accept the Finance Committee recommendations and to try to raise the money over the next ninety days. The motion was seconded and passed.

Krystal Cofer moved to ask the congregation to raise the money over the next two months, and if raised, proceed; if not, return to contractor for a lesser grade carpet. The motion was seconded and failed.

Ruth Allyn moved that if the money is raised, to proceed with the project to re-carpet and tile the Sanctuary. The motion was seconded and passed by majority vote.

B. Praise Team Leader: Position is still open, applications being accepted.

C. TUMC Vital Congregations Working Committee: David Bailey is working on it, meeting to be determined.

D. Media Technology: Date TBD.

E. Securing Church Building: David Bailey said he has spoken with all parties and has turned the issue over to the Trustees. Maurice Linkous is getting a list of who has keys.

New Business:

A. Lay Leadership/Nominations: Reverend Keezel said the Chair position of Buildings and Grounds is open, and the Lay Leadership Committee will work on filling the position.
